

International Project Week

25TH
edition

A photograph of a modern classroom or meeting space. A young man with glasses and a green long-sleeved shirt is sitting on a stool, smiling and waving his right hand. A young woman in a brown jacket is standing next to him, holding a white coffee cup and looking at him. In the background, there are green pendant lights and other people blurred. The text "Do you want to participate?" is overlaid in large white letters.

Do you
want to
participate?

February 6 - 10, 2023

Dear students,

Are you looking for a chance to work on real assignments? Do you like working with students from all over the world? Are you a creative thinker? Participate in the International Project Week!

During this week, you will experience the process of design thinking and international collaboration. About fifty companies have submitted various assignments and problems which require creative and interdisciplinary thinking; they need your help in creating an (innovative) solution!

You will work with students from various ages, cultures, countries and technical programmes. Often these groups can come up with fantastic solutions for various well-known companies. Want to participate? Please contact Jan Bollen: j.w.bollen@saxion.nl. And your local contactperson.

→ Opening on February 6
by André Kuipers

I want to participate, what's next?

Great that you want to participate! After applying you can find a lot of information on saxion.nl/projectweek. Groups will be made in early January. When all students are sorted, you will get information regarding your specific assignment. What about bed and breakfast? Guest students will be hosted by Saxion students. The costs of bed and breakfast for one week is €100,-. You, the guest, pay this directly to the host. You will get each other's information so you can easily make arrangements.
